

International Committee for Rehabilitation Aid to Afghanistan (ICRAA)

Helping like a parent.

Annual Report 2015-2016

A MESSAGE FROM OUR CHAIRMAN

Dear Friends,

I am happy to share with you the great work of ICRAA and update you on the progress we have made since April 2015.

Over the course of 2015, we continued setting up the charity and completing the administrative tasks. We held two board meetings, attended Bond members' meeting, discussed activities with Leeds Amnesty International Group and participated at the Amnesty National Conference and AGM.

We also received excellent support from Volunteer Centre Leeds and Voluntary Action Leeds.

ICRAA is a member with several international organizations, including the National Council for Voluntary Organisations (NCVO); the Partnership for Maternal, Newborn and Child Health (PMNCH); Fundraising Standard Board (FRSB); International Federation of Red Cross and Red Crescent Societies; and British Overseas NGOs for Development (BOND), a UK international development network.

Currently, ICRAA is liaising with other aid agencies such as UNHCR to see if we can collaborate to help aid families.

Over the coming years, the trustees and I will continue to focus on our mission and charitable activities.

With gratitude,

Dr Sana Ul Haq Ahmadzai

Chairman and Trustee, ICRAA
